Re: Una Cuenta Desconocida sí apodera de mis Archivos

Nada, solo el tres particiones. La partición de 9,8 Gb RESTORE Que aparecia en el administrador de discos ya no aparece Despues Del reinicio de WinSockFix.

Cosas Raras MAS: en la papelera aparecieron Unas Carpetas Que habia eliminado HACE weeks. Lástima Que Vacie la papelera, me habria gustado sable si also desaparecian solas tambien me ha Desaparecido Una Carpeta con Unas 4 Gb de Archivos de la partición de Datos. ESTO CUANDO sí no ha Sido, los antes o despues de la IS cara a cara, él me friso Cuenta PORQUE HABIA MÁS Espacio libre del habitual en la ESA partición LO MÁS Unico o Menos habitual es el error al INICIAR Ventanas de Que No Se Puede Acceder al Servicio de Registro ERRORES de Ventanas de vosotros Problema con interneo ¿ESTO ES Una particularidad del foro o es Que Estoy infectando also this Otro Ordenador con el pendrive?. ES La visualización DEL MENSAJE apuestas iniciales de enviarlo
